

Asheville Mushroom Club

Guidelines for Foray leaders
approved at business meeting on March 26, 2008

- 1) Provide secretary with date, time and location of foray and contact information as far in advance as feasible. Foray notice will request participants to contact leader if weather is questionable.**
- 2) Have attendees' sign up using liability form.**
- 3) In case of cancellation (bad weather) arrange for someone to be at meeting site to inform anyone that shows up of cancellation. Alternatively leader may request advanced sign-up and leader will notify those signing up in case of cancellation.**
- 4) In case foray leader can not be at foray, the leader should arrange for a substitute to lead in his stead.**
- 5) Try to line up a least one fairly knowledge person to help with ID**
- 6) If time permits and expertise is available, identify as much of collection as possible and provide list of identified mushrooms to Jackie Schieb at bjshyb@gmail.com. Pictures of foray and participants may also be provided. We would like to keep an inventory of each foray which is included on our foray list on the club's website**
- 7) At beginning of foray, provide an orientation to participants explaining what is expected of them.**
- 8) When attendees gather for car pool, suggest that their passengers should compensate drivers.**
